D. O. No.13/6/2016-CD.I

Date: 6th April, 2016

Dear Sir,

The Drought Management Division of the Department of Agriculture, Cooperation & Farmers' Welfare is in the process of formulating the Crisis Management Plan (CMP) for Drought for the year 2016. The CMP refers to the actionable programme which is pressed into action in the event of a crisis situation to minimize damages to life, property & environment and helps to develop preventive measures in a time bound manner. As a part of the CMP, the Drought Management Division has decided that the participating Ministries/ Departments may issue advisories to the concerned authorities under their jurisdiction to deal with any crisis situation that may arise due to drought.

2. In order to take preventive measures to deal with any crisis situation arising due to drought, I request you to advise concerned officers dealing with ICDS for initiating immediate action on the following:

- To nominate nodal officer at the district level to monitor the weather conditions to ascertain drought like situation in consultation with Metrological Department;
- To prepare well in advance, specifically in the month of monsoon, to ensure that delivery of essential services are not affected in the AWCs;
- To ensure that stock of food grains, water, cooking and other necessary are available in adequate quantity in the AWCs to meet the requirement of the targeted beneficiaries in the drought affected region;
- To remain in touch with FCI ensuring availability sufficient amount of food grains to deal with drought situation;

3. I would appreciate if an Action Taken Report on the above is furnished to this Ministry on priority.

With regards,

जानक बाल विकास

Yours sincerely,

(Dr. Rajesh Kumar)
